Our First Full Week

We have loved getting to know your children this week and learning all about the things they enjoy. We've enjoyed exploring the school together, meeting some of the other staff members, and helping the children become familiar with their new surroundings. They have been learning where to find their pegs, getting to know their classmates, and beginning to build new friendships. It has been wonderful to see their confidence grow as they settle into school life.

Lunchtimes

It has been great to see the children trying lots of new foods this week. Could we remind you to discuss what food they are having each day. We have found that this prepares at lunchtime.

Wet weather

As the weather turns and we have wetter days, please could we ask you to keep hold of umbrellas at drop off as we do not use them at school.

If English is not your first language or you find it difficult to read or understand the communication, please do let us know and we will always do our best to support you.

Reading books

This week all children should have received their reading book bag. This includes: yellow reading record, black busy bee folder and a story book.

The story book is for you to read with your child, of course you can read any other books that they may enjoy at home too. Please record this in their reading diary. Once we have started learning phonics, children will take home a phonics reading book and they will practise blending and reading with you at home.

In the black 'busy bee' folder, all children will have a name writing sheet, please practise writing their name, forming letters correctly.

Book bags should be brought into school on your child's book day. (This is noted on their bag and folder).
