CHRISTMAS NATIVITY

We want to say a huge thank you for coming along to the Reception Nativity. It was such a special occasion, and we are incredibly proud of how confidently and enthusiastically the children performed.

Your support at home made a big difference, and we truly appreciate the time you spent helping the children learn their lines and singing the songs. It was wonderful to see their hard work shine on stage!

Thank you again for being part of this memorable event and for all you do to support their learning.
