Dear Parents,

As you may be aware, we are preparing for work to start on our new school hall. Over the half term the current studio will be removed and contractors will then start to prepare for work to begin on the extension at the start of the summer holidays.

This work will bring challenges over the next academic year which we will approach, as always, with positivity and enthusiasm as we are excited for the future of our school hall and the benefits that it will bring to everyone.

In addition to the hall extension, we would love to include fixtures and fittings. These will ideally include a foldaway tiered seating system and some AV equipment to enhance the experience of any school assembly or performance in the future.

With this in mind we would like to raise some extra funds and enable those contributing to become an actual piece of our new hall. For just £50, families of both past and present pupils can purchase a personalised, engraved brick measuring approximately 65mm x 215mm to be displayed in the new school hall once decoration is complete. Each brick will contain 2 lines of text with a maximum of 16 characters per line (including spaces and punctuation), using Helvetica font and will be produced on grey clay with gold engraving. Please see the sample available in school.

We would also welcome companies to sponsor a special double brick for £150. This will be produced just as the individual brick but measuring approximately 130mm x 215mm and will allow for 4 lines of text, again with a maximum of 16 characters per line (including spaces and punctuation), using Helvetica font and will be produced on grey clay with gold engraving.

The display will form a lasting testament to those who attended and supported St. Anne's School over the years and helped us to add the finishing touches to our wonderful new space.
