

Cool Carers Club!

Does someone in your family have an illness, disability, mental ill-health or neurodevelopmental needs, such as ADHD and ASD?

If so, your child is invited to join St. Anne's new Cool Carers Club! We will run a session once a term during school hours that will include some fun activities. Further information about this term's session will follow for those families that register their interest.

We recognise that some children often have some additional responsibilities at home and so aim to provide an opportunity for fun and focus on them.

If you would like your child to attend Cool Carers Club or would like some more information, please contact Mrs Burke (working days Wednesday-Friday) or Miss Dorgan (working days Tuesday-Thursday).
