Dear Parents,

### Exciting Author Visit: Philip Kavvadias is coming to St Anne's!

We are thrilled to announce that on **Friday 17<sup>th</sup> April**, St Anne's will be hosting a special guest: the brilliant children's author Philip Kavvadias!

Philip is the creator of the high-octane Mission series, known for blending adventure, gadgets, and fast-paced action. This visit is a fantastic opportunity for the children to meet a real author, hear about his writing process, and get inspired to start their own creative writing journeys.

To make the day even more memorable, Philip will be holding a book signing session. If you would like your child to receive a personally signed copy, books are now available to purchase via Scopy.

The following titles are available at £7.99 each:

- Mission Microraptor
- Mission Manta Ray
- Mission Monster Mind

We are very much looking forward to a day filled with mystery, missions, and great stories!

Warm regards,

Thank you for your continued support.

Kind regards,  
L. Dimech
