Voice in a million – Wednesday 20th March 2024

Dear parents and carers of choir members,

We are considering taking part in 'Voice in a Million' concert at the OVO arena, Wembley on Wednesday 20th March 2024. It would be an exciting opportunity for the children to perform as part of a UK wide choir performance and in Wembley arena itself. The children will travel by coach to the venue during the school day, arriving at 1:30pm. They will then attend a rehearsal and then have their tea at the venue. The concert begins at 7:15pm and will finish at approximately 9:50pm.

The school intends to cover the cost of the coach to and from the venue for every child to return to school for pick-up. This is because logistics of handing children over to parents at such a big venue would not be safe. To take part in the performance, a t-shirt will need to be purchased for each child. These are £14.50 each.

In addition, if parents would like to see the performance, then they would need to purchase a ticket directly from the venue box office. These are currently on sale and are £34.75 per ticket. Please use the link below for more information.

Whilst this is a fantastic opportunity, it is also quite an expense, and we appreciate that it may not be possible for all children and parents to attend. To gauge the interest and possible numbers for the performance, please complete the form below stating if you would be interested in your child taking part by **Friday 29th September**.

Finally, if we do get a positive response our intention would be not do this on an annual basis but to do it every 4 years so a member of the choir would get the experience at least once during their time at St Anne's.

Kind regards,

Miss Taylor
