Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence and advise when they are expected to return.
- Give full information as to the reason for absence including any actions being taken such as doctors appointments. Please note evidence of appointments maybe requested.
- Provide the school with at least 3 emergency contacts for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

3.9 Pupils

Pupils are expected to:

- Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Registration takes place at 9:00am and children who arrive after the register has been taken will be recorded as late for school – coded 'L' on the registration certificate.

Registers close at 9:10am and after this lateness is recorded as an unauthorised absence – 'U' on the registration certificate - and can be subject to referral to the Inclusion Service and possible prosecution by the Local Authority.

If a child comes in late due to a medical appointment (before 10:30am) it will be recorded as a medical matter (coded 'M').

Persistent lateness before close of register by a student will be addressed by the school.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office staff (see also section 7).

This can be done via the Arbor InApp messaging service or by calling anytime and leaving a message on the absence or late answer phone. We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

To request a leave of absence parents must complete a form which can be picked up at the office. This form, once completed, must be returned to the school office. The headteacher will then authorize / unauthorize the absence, following the policy guidelines and a letter noting the decision will be given to the parent.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Registration takes place at 9:00am and children who arrive after the register has been taken will be recorded as late, using the appropriate code (L).
- Registers close at 9:10am and after this lateness is recorded as an unauthorised absence, using the appropriate code. (U)
- If a child comes in late due to a medical appointment (before 10:30am) it will be recorded as a medical matter, using the appropriate code (M)

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Text the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason, if we have not received a response by 10am a phone call will be made. If the school cannot reach any of the pupil's emergency contacts, the school may make a home visit and consult the inclusion service or may even need to notify Child Services or the Police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Text or Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer.

4.6 Reporting to parents/carers

Each parent always has access to their child's attendance and absence levels via Arbor App in real time. Absence reports including reason for the attendance marks are available on request at any time.

In addition, staff grade attendance and punctuality on the mid-term report sent to parents each February.

Parents also get their child's full attendance record with their end of year report.

If there is concern about a child's attendance or punctuality, then the parents will receive a letter – these are issued half termly.

Children's attendance which remains at 100% will receive a certificate at the end of each term.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as **circumstances** that are temporary and involve an extraordinary event.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated but at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. Headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.
- A wedding, funeral or big birthday where the pupil is an immediate family member or in the case of a wedding a significant part, e.g. page boy or bridesmaid. The travel to these events will not be authorized just the event yourself.

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

The issuing of a penalty notice for unauthorised leave of absence may be considered appropriate in the following circumstances :Unauthorised leave of absence in term time (5 days/10 sessions or more within a three month period – this need not be consecutive) without the authorisation of the school. In the case of separated parents, the penalty notice will be sent to the parent requesting leave of absence and/or taking the pupil out of school. No written warning will be given where it can be shown that the parent/carer had previously been warned of their liability to receive a Penalty Notice.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

The school will reward the class with the highest attendance each term and details of monthly attendance by class will be published in the school newsletter.

All pupils who achieve 100% attendance for the term will get a certificate and anyone who achieves 100% for the school year will get a prize.

7. Attendance monitoring

The HSLW/attendance officer looks at the statistical data for attendance weekly and identifies patterns in attendance, monitoring persistent absences and following up with families to help support better attendance. Holding termly meetings with the Surrey Inclusion Officer to for support and advice in dealing with any areas of concern.

7.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers/form tutors, and other school leaders, to facilitate discussions with pupils and families.
- Based on data issue warning letters which increase in severity, e.g. Initial warning, need for medical evidence, inclusion officer is involved.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Will issue warning letters which increase in severity, e.g. Initial warning, need for medical evidence, inclusion officer is involved.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Supporting children when they are in school to ensure they are happy and willing to attend
- HSLW will promote positive behavior, develop, and maintain positive, amenable relationships and connections between home and school. To also, help identify potential attendance issues and reduce any current stressful situations to prevent future difficulties.

If there is persistent absence parents will receive a letter along with a copy of the pupil attendance certificate advising of the need to improve attendance. The school will work with the family and any necessary authorities to support and help resolve any barriers to improved attendance.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every 2 years by Xavier COO. At every review, the policy will be approved by the full Trustee Board.
