Dear Parents,

We wish all our families a very Happy Christmas filled with joy, rest, and special moments with your loved ones. As we reach this festive season, we want to say how incredibly proud we are of your children. Their hard work, kindness, and growth throughout this term have been wonderful to see, and it's a privilege to be part of their journey.

Thank you for your continued support. There will be no CGP homework during the Christmas Holidays. However, if your child enjoys writing, they are welcome to write some diary entries of what they get up to in the holidays to share with us in January, ahead of our diary writing projects in English during Spring term.

We hope you all enjoy a peaceful, happy Christmas and we wish all a bright New Year ahead.

Warmest wishes,
Your Year 2 Team
