Wednesday 2nd September 2026

Dear Year 3 Parents,

Chiltern Open Air Museum – Monday 21st September 2026

Our topic for this term is 'The Changes to Britain – Stone Age to Iron Age'. In light of this, we have organised a trip to Chiltern Open Air Museum on **Monday 21st September** to enhance the children's learning. The day will consist of themed workshops and practical activities that will help put these historical periods in context.

On the day of the trip, we will be leaving school promptly after registration at 9.00am and hope to return to school by 3.15pm depending on the traffic. The children should be collected from their normal collection point outside their classroom.

Please provide your child with a healthy packed lunch (no traces of nuts please) and sufficient water for the day in a named, disposable bag. Due to the activities the children are likely to get muddy during the day so they should wear a long/short sleeved top, long trousers, supportive footwear (wellies or trainers) and a warm, waterproof coat.

We respectfully request a voluntary contribution of **£28.95** to cover the cost of the trip, coaches and workshops. Please log on to **Arbor** to consent and pay for the trip. We would appreciate it if payment could be made by 16th September at the latest. If sufficient funds are not forthcoming, the trip will unfortunately have to be cancelled, so please check that your payment has been made.

We would greatly appreciate some parent help on the day of the trip so if you are available, please speak to your child's class teacher and as always, if you have any questions or queries, please do not hesitate to ask.

Thank you for your continued support. We hope that the day will be an enjoyable experience for all.

Kind regards,
Mrs Taneja and Miss Pearson
