## Geography

Choose a city in both North and South America. You are going to compare these 2 chosen cities; looking carefully for similarities and differences. Be sure to include some human and physical characteristics.

As we look around our world, we see many different features. Some of them are naturally occurring (such as rivers, waterfalls and mountains), and we call them physical geographical features. Human geographical features, on the other hand, include things like roads, bridges and other structures. You should present your learning in the form of an information poster or a fact file. Due next Thursday.

## Spelling

Below are the spellings for the upcoming week. Please complete the assignment on spelling shed before next Thursday.

Take time this weekend to spoil and treasure your mothers. What can you do to make them feel special?

Have a lovely weekend!

## *Mother's Day Prayer*

Dear Lord,

We thank You for the gift of mothers, for their love, guidance, and care. Please bless them with Your grace, strength, and wisdom as they continue to nurture and support their families. Surround them with Your love and peace, and let them know how deeply they are appreciated and cherished. In Jesus' name, we pray. Amen.

## TOGETHER WE CAN CHANGE THE WORLD

1, 2, 3, 4, 5, 6, 7, 8

I believe it's not too late

Together we can change the world

Lay the puzzle pieces out

Find out what it's all about

Together we can change the world

Refrain:

Can't do it by myself

So I'm asking for your help

Together we can change the world

Sail past where it's been charted

Roll your sleeves up, let's get started

Together we can change the world

Together we can change the world

With our hands and with our hearts

We can dare to make a start

Together we can change the world

What if we spoke with one voice,

Knowing that we have a choice?

Together we can change the world

Refrain:

[instrumental]

Change your mind and change your life

Set aside the fear and strife

Together we can change the world

When we open up our eyes

Then we start to realize

Together we can change the world

Refrain:

We believe  
Jesus is the Son of God,  
We believe  
He came to save us on the cross  
And there's a need  
For all the world  
To know His Love.

We believe  
That His love is big enough.

And I want you to know Him,  
I want you to love Him like I do,  
And to know how much He loves you too.
