

Year 4 Homework Week – 17th November 2023

Maths

You will need to complete an activity on My Maths. The task is on **Word problems**.

Please make sure that you complete this activity before next Thursday.

(23.11.2023)

<https://app.mymaths.co.uk/1425-homework/word-problems>

You must also spend 15 minutes every day learning your times tables

Reading

Please complete the reading comprehension.

You **MUST** read for **20 minutes every day**. As soon as you have finished the book, you will need to complete a quiz. Use the link below; **please remember that this is the ONLY link that will work!**

Do explore myON, so you have more options. **Your reading diary MUST be completed.**

Spelling

Below are the spellings for the upcoming week. Please complete the assignment on spelling shed before next Thursday. (23.11.2023)

usually	carefully
finally	faithfully
beautifully	peacefully
thoughtfully	cruelly
wonderfully	generally

Reminders and messages

Well, another week has flown by! They say that times flies when you are having fun.

This week in Connect we have been learning about self-care. Remember to show your chosen adult your letter and talk about the skill that you would like to improve and learn. We would like to remind you of the importance of appropriate clothing in cold weather.

Anti-bullying week has been a great time for us to think about how we can be kind to each other. We hope that you will continue to carry out acts of kindness and spread kindness around like confetti.

Did you know that there are 37 days until Christmas? Let's make it our year 4 mission to show as much kindness as we can in the next 37 days. What will you do to show kindness in the next 37 days? Have a lovely weekend!

Have a lovely weekend!
Ms Dimech and Mrs Taneja

The Treasure Hunt

Four children are at an outdoor centre for the day. They have been given a map and told to find the hidden treasure. The first clue tells them to start at the main entrance and go south east to the woods.

Aran: How do I know which way is south east?

Kasem: Use the compass to find north. Then we can work out where south east is.

Tama: Hold the compass level!

Saburo: It must be that way. Quick, let's run.

The four children run across the field to the edge of the wood.

Aran: Where now?

Kasem: Look, hanging from that tree branch, there's a letter written on a piece of card.

Tama: What does it say?

Saburo: It's the letter 'D'. We'd better remember that.

Aran: Where now?

Kasem: Look, on the back of the letter card is the next instruction. "Go south west to find the pond."

Tama: Quick, let's run again.

The four children run across the field towards the pond.

Saburo: Slow down, I can't keep up.

Aran: Here's the next one, fastened to the gate. It's the letter 'O'.

Kasem: Where now?

Tama: On the back it says "Go north to the swings".

Saburo: Quick, let me have the compass. North is that way!

The four children run in the direction indicated by the compass needle.

Saburo: Slow down, I can't keep up.

Aran: Here's the next one, tied to the swing. It's the letter 'G'.

Kasem: First 'D', then 'O' and now 'G'.

Tama: I wonder what it means?

Kasem: Where now?

Saburo: It says on the back of the letter card to "Go north west towards the 'old well.'"

Kasem: Quick, give me the compass. If north is that way and west is that way...

Tama: Northwest must be over there.

Aran: Quick, let's run again!

The four children run in the direction of the old well.

Saburo: Slow down, I can't keep up.

Kasem: There's the old well.

Tama: And there is the next letter, 'it's an 'L'!

Aran: Where next?

Kasem: It says, "Look for the treasure in what you already have."

Tama: But we haven't got anything!

Saburo: Only those four letters.

Aran: What were they again?

Kasem: They were 'D', 'O', 'G' and 'L'.

The Treasure Hunt

Section A

Choose the best word or group of words to fit the passage and put a ring around your choice.

Four children were at an outdoor centre for the day. Kasem said they must use the compass to find

1 **north** **south** **east** **west**

then they could work out where

2 **north east** **south east** **north west** **south west**

is. Hanging from the tree they found the letter

3 **D** **O** **G** **L**

on a piece of card. The next instruction said find the

4 **wood.** **pond.** **swings.** **old well.**

The second letter found was

5 **D.** **O.** **G.** **L.**

Tied to the swing they found the letter

6 **D.** **O.** **G.** **L.**

When they had collected all of the letters they had 'D', 'O', 'G' and 'L'.

Section B

1 What tools did the children have to help find the treasure?

2 In which four places did the children find the letter cards?

3 How can you use a compass to find south?

4 How did the children know where to go next after they had collected each letter?

5 How did the children know they had come to the end of the treasure hunt?

6 Saburo couldn't keep up with the other children. How do you think he felt when this happened?

7 What treasure did the children find?

Section C

Continue the playscript making up what the children do next.
