Try to complete the questions independently.

Grammar, Punctuation and Spelling – Staying in the same tense p29

Date set: Thursday

Date due: Monday

Try to complete the questions independently.

If your child has struggled with a particular question, please write a note on the page to inform the class teacher.

NOTICES

Dear parents,

Parents' Evening

Please look out for an email regarding Parents' Evening. These will take place on Tuesday 24th and Thursday 26th February. These will take place online.

Cultural Projects

The children have been busy discussing their ideas and projects with great enthusiasm. We look forward to seeing them. Please ensure that your child bring this homework to school on **Monday 9th February**.

Times Tables

Children are continuing to make progress with their times tables, and you might see badges being brought home. Please do continue to encourage your children to learn their times tables. Next week, they will be getting a new heat map so you can see the progress that they are making.

Reading

A polite reminder that the children should be reading 5 times a week and this must be recorded in their reading diaries. They should record and write informative comments independently in their diaries. All the children have relevant sentence stems stuck in their diaries. Please encourage your child to use these.

Number Day

This takes place on Friday 6th February. Please refer to emails sent. Have a wonderful weekend!

Warmest wishes
Year 4 team

All the Times Tables up to 12×12

$\times 1$	$\times 2$	$\times 3$	$\times 4$	$\times 5$	$\times 6$	$\times 7$	$\times 8$	$\times 9$	$\times 10$	$\times 11$	$\times 12$
