NOTICES

Dear parents,

It has been another busy week for year 4, starting the week off with Pyjama Day and ending the week dressed up as book characters. This week we have also been learning about improper fractions and mixed numbers. We also had such a fun day with Nerys Pearce when she visited the school. Thank you to all the families who sponsored this event.

Book Fair

This will take place next week after school. Please do come and join us in the playground and have a browse.

Times tables

Continue to practice daily. New heat maps will be handed out next week. We cannot wait to see how much the children have progressed.

Ed Shed

This week all the children have been reissued with passwords for Ed Shed. They have been set a spelling task on the full list of Year 3 & Year 4 words.

Stationery

Children should only bring in **clear pencil cases** and must have all the required stationery to ensure that their learning is not interrupted.

Extreme Reader Competition

All entries must be emailed to Ms Dimech by Monday 9th March. There have been some amazing photos sent in by year 4 parents. We hope that more children in year 4 will take part.

Have a wonderful weekend!

Warmest wishes

Year 4 team
