This week children will be doing revision on 3, 6 and 9 timetables by using them in multiplication and division.

Children will be getting a worksheet on maths this week, which needs to be completed and returned to school before next Thursday (25.01.2024).

As always, children must also spend 15 minutes every day learning their times tables.

Spelling

This week we have been learning the 'ous' sound words which are used as describing words. They are often used as adjectives. We have been practising them in class, but you must go on Spelling Shed and practise them even more!

Why don't you go on a spelling hunt and see what other words you can find which fit this week's spelling?

Can you explain what these words mean to your parents? Choose 5 words and use them in interesting sentences.

Below are the spellings for the upcoming week. Please complete the assignment on spelling shed before next Thursday. (25.01.2024).

poisonous	tremendous
dangerous	enormous
mountainous	jealous
marvellous	precious
perilous	disastrous

Reminders and messages

Dear Parents,

As the temperatures drop, I hope this message finds you and your family in good health. Winter can bring its own set of challenges, and it's crucial to take extra precautions to stay safe and warm.

Please ensure your child is dressed appropriately for the cold weather. Layers, hats, gloves, and scarves can make a significant difference in keeping warm. Encourage your child to wear warm clothing and remind them to cover up well, especially when going outdoors.

Please stay informed about weather conditions, and if necessary, take necessary precautions to avoid exposure to extreme cold.

Wishing you and your family a safe and cozy winter season.

Have a lovely weekend!

Ms Dimech and Mrs Taneja
