God of love,

We pray for peace in our world, and an end to war.

Instead of hatred, let there be love.

Shelter your children and protect us.

Guide us and keep us from harm,

so we can build a world of love and live our lives in peace.

Amen.

## Some ideas for Victorian dress up day

### For a "Working Class" Boy

Think "Oliver Twist" or a chimney sweep. The goal is to look a little bit messy!

- Top:** A plain white or grey shirt with the collar tucked in or a waistcoat (an old adult waistcoat works well).
- Bottoms:** School trousers tucked into long dark socks to look like "knickerbockers."
- Accessory:** A flat cap (or a "newsboy" cap).
- The "Victorian" Touch:** Smudge a little bit of dark eyeshadow or soot (safely!) on the cheeks to look like they've been working.

### For a "Working Class" Girl

Think of a flower seller or a maid.

- Top & Bottom:** A long dark skirt and a plain white long-sleeved t-shirt or blouse.
- The "Victorian" Touch:** A white pinafore or apron. You can make a simple one by tying a white pillowcase around the waist or cutting a hole in the top of one.
- Hair:** Tied back in a neat bun or braids with a simple ribbon.
- Accessory:** A plain shawl (an old scarf) draped over the shoulders.

# Easy DIY "Cheat Sheet"

Item	DIY Hack
Waistcoat	Cut the sleeves off an old dark cardigan or jumper.
Flat Cap	Borrow an adult's cap—it looks more "Victorian" if it's a bit big!
Pinafore	Use a white apron from the kitchen or an old white sheet.
Cravat/Tie	Tie a scrap of dark fabric or a ribbon loosely around the neck of a shirt.
