# NOTICES

Dear parents,

The time seems to be flying by. We are so proud of the children and how much effort they are putting into their work. This week they have learnt about the Viking raid on Lindisfarne. They really enjoyed learning about this.

## Times Tables

You will notice that your child has a times table heat map in their reading records. We will be giving these to the children every 2 weeks so that you can track what times tables they need to learn. Please ensure that your child spend at least 15 minutes per day learning their times tables. We have attached a useful sheet for the children to use which shows them the times tables that they need to know.

A polite reminder that the children should be reading 5 times a week and this must be recorded in their reading diaries. They should record and write informative comments independently in their diaries. All the children have relevant sentence stems stuck in their diaries. Please encourage your child to use these.

Ms Dimech will be away next week on the year 5 residential to Ufton Court. Mrs Whelan will be covering St Carlo for 3 days.

Have a wonderful weekend!

Warmest wishes  
Year 4 team
