## Reminders and messages

During the week beginning 27th November, we will be taking part in activities and learning under the theme of **"80 Days around the world"**.

To kickstart the week, we would like you to make a colourful poster celebrating your culture. Include pictures and drawings and of course, some information. You can complete this task on the computer and then bring it into school or ask your teacher to print it out for you. Please bring your posters into school on Tuesday 24<sup>th</sup> November.

It will be an amazing opportunity for you to explore countries of the world and the vast cultures and practices within them. We are going to learn so much about each other's cultures.

Year 4 will focus on India and South Africa to explore for the week through several subjects with a culmination of all of the learning being on display on Friday afternoon. (1<sup>st</sup> December)

We would also like to invite parents in on Friday 1<sup>st</sup> December at the end of the day until 4 pm to visit each class.

Did you know that there are 30 days until Christmas? Let's make it our year 4 mission to show as much kindness as we can in the next 30 days. What will you do to show kindness in the next 30 days? Have a lovely weekend!
