If your child has struggled with a particular question, please write a note on the page to inform the class teacher.

NEWSLETTER

Dear parents,

It has been such a busy week. We started off the week with Odd Socks Day, and the children embraced each other's differences. We also had an anti-bullying workshop and watched a special online assembly about Remembrance Day. In addition to this, we had a visit from our MP.

Swimming
Thank you to the parents, who volunteered this week. You are all amazing for giving up your time to help us out. The children were assessed and next week, they will be swimming in their groups. Please ensure that all your children's clothes are named. Also, just a reminder that the children are to wear their PE kit on a Wednesday.
Coach-led PE continues on a Thursday, For the next 10 weeks, there will not be teacher-led PE.

Times tables
Please ensure that your children are practicing these daily. They must be fluent in all their times tables up to 12 by June. Please do look at your child's latest heat map, which has been stuck into their reading record.

Stationery
Please ensure that your child's pencil case has all the necessary stationery in it. This enables them to come to school, ready to learn.

Reading
A gentle reminder that children need to read every day. Their reading records must be completed. Please see the posters in the newsletter about the benefits of reading.

We hope that you have a wonderful weekend and keep warm, now that the weather continues to change.

Kind regards
Year 4 team

HERE'S THE IMPACT OF READING 20 MINUTES PER DAY!

A student who reads	A student who reads	A student who reads
20:00	5:00	1:00
minutes per day	minutes per day	minute per day
will be exposed to **1.8 MILLION** words per year and scores in **90th PERCENTILE** on standardized tests	will be exposed to **282,000** words per year and scores in **50th PERCENTILE** on standardized tests	will be exposed to **8,000** words per year and scores in **10th PERCENTILE** on standardized tests

SCHOLASTIC

20 is plenty!

Children who read for 20 minutes a day...

Will have a world of imagination & creativity opened to them

Will have better general knowledge

Will be exposed to 1.8 million words a year

Will improve critical thinking skills

Will improve their communication skills

Will have a broad vocabulary

Will have reduced stress levels

Will learn how to develop empathy

Will improve their test results
