Classroom

These are the year 5 classrooms. They are the same classrooms you had in year 4!

This is where you will do your learning while you are in year 5.

Cloakroom and Toilets

In year 5 you will use the same toilets that you used in year 4. These are shared with year 6. The cloakroom is on the right-hand side and the shelves to put your lunch are the same.

Playground and Lining up

In year 5 you will walk up in through the front playground doors and meet your teacher in your classroom.
At breaktime you can play in the main playground and at lunch you can explore all the different zones we have, such as creative and chill out!

Other rooms we use at school.
