

People and their Communities

Year 1 - Spring

 continent	Land mass defined by physical, human, or cultural features: Europe, Africa, Antarctica, Asia, Oceania, North America or South America.
 country	Large area of land where people live.
 coast	Where the land meets the sea.
 rainforest	Thick forests with lots of rain.
 remote	Far away from cities or town. Away from people.
 capital city	A city where a region's government is located. This is where government buildings are and where government leaders work.

Human features are man made things—tower, mosque.

Physical feature are natural—mountains, the beach.
