

Dear Parent/Carers,

I can't believe the Easter holidays are almost upon us and I have been teaching at the school for a whole term already. The children are lovely to teach, and we have been having so much fun putting our end of term dance together to show to their families.

For those that are considering JB Dancefit, the classes I run incorporate many different styles. They will learn some technique, but above all have fun and keep fit at the same time. We do not follow an exam syllabus but there will be plenty of opportunities to perform during classes and to parents at the end of the term. This club is open to children from year 2 up to year 6.
