

Year 3 Meet the Teacher Evening

MRS TANEJA & MISS PEARSON

Our Mission

St Anne's Mission Statement

With Christ at the centre of our lives, we live out our call to serve the young:
It is not enough to love children. They must know that they are loved.

Don Bosco

Everyday is an opportunity to nurture every child through meaningful learning, guiding them to grow in wisdom—always rooted in the knowledge that they are loved and valued.

Curriculum Map

On school website

English: Reading and Writing

Autumn 1: Stone Age Boy
Rewrite the Opening to a story
Non-Chronological Report
Autumn 2: How to Wash a Woolly Mammoth -instructions
Lord of the Forest -diary entry
'Twas the Night Before Christmas -poetry

Geography

In Geography, we will be studying weather, climate zones, and different biomes around the world.

Computing

In Computing, we will explore how computers connect through networks, create stop frame animations, and learn how to stay safe online.

PSHE/RSE

We will develop emotional awareness through the Zones of Regulation, establish class rules and routines, celebrate Black History Month, World Mental Health Day, understand online safety
Lifestyle First -Healthy Eating Pillar

Maths

In Maths, we will be building our understanding of number and place value, strengthening addition and subtraction with 3-digit numbers, and developing confidence in multiplication and division using key times tables.

Science

In Science, we will learn about the skeleton and its functions, explore how joints help our bodies move, investigate different types of movement, explore healthy eating and balanced diets, and investigate different types of rocks and their uses.

Year 3

AutumnTerm - Curriculum Map

"It is not enough to love children.
They must know that they are loved"
- Don Bosco

Religious Education

In RE, through Creation and Covenant, we will learn about God's creation and our role in caring for the world, and through Prophecy and Promise, we will explore how prophets prepared the way for Jesus, focusing on Advent and the Nativity as God's promise fulfilled.

History

In History, we will explore life in the Stone Age and Iron Age, comparing it to life today. We will develop our understanding of chronology by learning about BC and AD and placing important events on a timeline.

Art/Design

In Art, we will explore prehistoric painting through charcoal, colour and cave art techniques. In Design and Technology (Eating Seasonally), we will learn about seasonal foods, develop food preparation skills, design and evaluate a healthy seasonal dish.

PE

In PE, (coach- led)we will develop key skills in basketball and dodgeball, including dribbling, passing, shooting, and defending, while improving teamwork.
Teacher -led PE-Hockey and fundamentals

Music

Stone Age -We will perform as an ensemble.
In the Garden-We will learn to compose,notate and perform a melody.

Reading and Writing

Reading

- Master Reader comprehension lessons from Autumn 1.
- Accelerated reader - Star Reader Tests

Renaissance
Star Reading

Writing

- Un-muddle sentences into the right sentence structure.
- Sentence by sentence construction using colourful semantics.
- Annotate a picture with expanded noun phrases
- Capital letters, full stops, exclamation marks, Kung-fu punctuation conjunctions, adjectives and adverbs
- Cursive handwriting
- Sort sentences into past and present tense.
- Rewrite the opening of the 'Stone Age Boy'.

Be kind to yourself; you're doing wonderfully.

Accelerated Reader – Star Reader Tests

★ Renaissance
Star Reading

Children will complete a Star Reader assessment in the first couple of weeks in Year 3. This will give them their “Accelerated Reader” range. They will then take-home books from this range to be read at home and school. Children will take home one book at a time but can change it as soon as they have read and completed a quiz on it. Quizzes must be completed.

You will receive this login slip!

Accelerated Reader

Importance of Reading

HERE'S THE IMPACT OF READING 20 MINUTES PER DAY!

A student who reads

20:00

minutes per day

A student who reads

5:00

minutes per day

A student who reads

1:00

minute per day

will be exposed to
1.8 MILLION
words per year
and scores in
90th PERCENTILE
on standardized tests

will be exposed to
282,000
words per year
and scores in
50th PERCENTILE
on standardized tests

will be exposed to
8,000
words per year
and scores in
10th PERCENTILE
on standardized tests

At St Anne's we promote reading in everything we do. We provide regular opportunities for the children to read in the school day, we expect the children to read at home daily.

Here are some of the reasons why:

- Reading helps build communication skills
- Reading opens the imagination
- Reading has a positive impact on progress in school
- Reading can improve mental health and wellbeing
- Reading is a fundamental life skill.

Importance of Reading

How can you effectively read with your child at home?

- Children need to build their “reading mileage” (the amount of words they come across) by reading a variety of texts and writing styles accompanied by an adult
- Adult accompaniment is important to assist children in their reading stamina - without an adult, children are more likely to give up when they come across a tricky word
- Active reading should happen in 3 phases; before, during and after reading the text

Importance of Reading

Set purpose

Prepare your child for reading by using the strategies below or, if your child is reading a longer book, ask them to summarise what they read last time, what do they know about the characters and what do they think might happen in this section?

PRINT CONCEPTS How a book works

☐  Front Cover

☐  Title

☐  Author

☐  Illustrator

☐  Left to Right Flow

READING STRATEGY Take a Picture Walk

Flip through the pages

Look only at the illustrations

Ask: what will happen next?

Prime the brain for comprehension

Importance of Reading

During Reading

Assist your child when they struggle with words or if they say an incorrect word.

Do not give them the correct word straight away, pause to give them an opportunity to self correct, if necessary prompt them with the first sound of the word and always praise their effort.

Stalling during Reading

Pause

Wait 3-5 seconds for self-correction

Prompt

Offer a minimal, strategic clue

Praise

Celebrate the specific effort

Saying a word that doesn't make sense

Pause and Listen

Prompt Gently

Reread for Meaning

Praise the Effort

Importance of Reading

ACTIVE LISTENING WITH KIDS

Three ways to truly tune in

Nonverbal Presence

Verbal Paraphrasing

Open-Ended Prompts

Active listening

It is important to show your child that you are actively listening to them when reading together. This reduces anxiety by allowing them to feel safe to make mistakes and know that their views and thoughts about the text are valid.

Importance of Reading

READING COMPREHENSION

Practice story retelling

Retell the Plot

Name Characters

Find the Setting

Map Beginning

Build Story Structure

Following Reading

Allow your child to think about what they have just read. Can they tell you the following? This will build upon their comprehension skills.

Importance of Reading

If your child is reluctant to read at home or finds reading tricky:

Allow your child to listen to you:

This allows your child to hear a text read fluently and focus on their understanding for a time instead of decoding the text themselves.

Paired reading:

This strategy works if your child is struggling to develop stamina with reading or finds a particular word too hard.

They can tap the book gently to signal to you to read the word. Once you have read the word, you can then tap the book to signal to the child to start reading again.

These strategies allow your child to experience books they might otherwise not be able to access and build a love of reading and wider vocabulary. However, this should be completed alongside them reading books within their reading range to continue to encourage them to build their own fluency.

It is important to ensure your child is following along whilst you are reading, to ensure they are “actively listening” which will assist in building their reading mileage.

Our New School Library!

Over the summer, we have been working hard to develop our brand-new school library, and we are pleased to say that it is nearly ready to open its doors to the children! We anticipate that, within the next two weeks, the library will be fully operational, and children will be able to begin borrowing books to enjoy at home. We are incredibly excited about the opportunities this will provide to nurture a love of reading and help our children develop as confident, enthusiastic readers.

To ensure that our library remains well stocked with a wide variety of high-quality and engaging books, we will be subscribing to the Hampshire Library Service. This partnership will provide a regular supply of exciting new titles and help us keep our collection fresh, diverse and appealing for all year groups.

Each class will have a weekly timetabled library session, during which children will be able to borrow and return books. We hope this will become a valued part of the school week and encourage children to read regularly at home.

As with any library service, borrowed books will need to be returned so that other children can enjoy them. Where books are not returned, parents will receive a charge to cover the cost of replacement, in line with normal library practice.

We will be sending further information over the coming weeks, including details about borrowing arrangements, book care expectations and return procedures.

Maths!

Unit 1: Place value within 1,000 13 Lessons	Week 1	Unit 6: Multiplication and division (3) 13 Lessons	Week 1	Unit 11: Fractions (2) 8 Lessons
	Week 2		Week 2	
	Week 3		Week 3	Unit 12: Money 5 Lessons
Unit 2: Addition and subtraction (1) 10 Lessons	Week 4	Unit 7: Length and perimeter 11 Lessons	Week 4	Unit 13: Time 12 Lessons
	Week 5		Week 5	
Unit 3: Addition and subtraction (2) 13 Lessons	Week 6	Unit 8: Fractions (1) 10 Lessons	Week 6	Unit 14: Angles and properties of shapes 9 Lessons
	Week 7		Week 7	
	Week 8	Unit 9: Mass 7 Lessons	Week 8	Unit 15: Statistics 7 Lessons
Unit 4: Multiplication and division (1) 5 Lessons				

Maths!

We follow the scheme, **Power Maths**. Power Maths is a whole-class mastery programme recommended by the Department for Education. The scheme is aligned with the National Curriculum for mathematics.

Three Styles of Learning: Lessons are designed to engage children through:

- Concrete learning
- Pictorial representations
- Abstract thinking

Balanced Focus: Lessons include a strong emphasis on:

- Arithmetic
- Problem Solving and Reasoning

Progressive Structure: Power Maths builds knowledge step-by-step, ensuring children develop confidence and depth in their mathematical understanding.

Assessment and Support: Regular assessments help us identify gaps and provide targeted support to ensure every child makes progress.

We also use TTRS to build multiplication skills and boost confidence.

PSHE and RSHE

Statutory Changes to RSHE

The Government has introduced statutory requirements for Relationships, Sex and Health Education (RSHE) in all primary schools. These changes ensure that all children receive age appropriate teaching about healthy relationships, mental wellbeing, online safety and personal safety. As a result, all schools have been required to review their RSHE provision to ensure it meets these national expectations.

Why is the new guidance important?

These changes help children to:

- Build positive and respectful relationships
- Develop confidence, resilience and emotional wellbeing
- Understand how to stay safe, both online and offline
- Grow in their understanding of respect, dignity and healthy choices

PSHE and RSHE

At St Anne's we will continue to use Ten:Ten Resources, an award-winning Catholic educational organisation that is well-respected and has been approved by our diocese for the teaching of PSHE and RSHE in Catholic Primary schools.

The Ten:Ten Life to the Full scheme has been updated to remain fully compliant with the new statutory guidance and remains fully approved by our diocese.

You are able to see what your child will be learning in PSHE/RSHE lessons this year via the Ten:Ten website Parent Portal using the following details:

www.tentenresources.co.uk/parent-consultation-primary

Homework

Years 1-6 will continue with weekly homework.
CGP books will be used for

- Maths
- SPaG
- Reading Comprehension

Homework will first be set from w/c 14th September.

Homework - Timetable

Timetable

Homework Timetable		
Homework	Date set:	Date due:
Daily Reading with comments and a weekly parental signature	Daily	Diaries in school every day.
Reading Comprehension Targeted Question Book	Monday	Thursday
Maths Targeted Question Book	Tuesday	Friday
Grammar, Punctuation and Spelling Targeted Question Book	Thursday	Monday
Throughout the week, engage with our online learning resources: Times Tables Rock Stars, Spelling Shed, and Accelerated Reader.		Friday - engagement will be checked

Communication

Each week you will receive a 'Year 3 Homework and Headlines' sheet. This will include homework and important dates.

Please ensure you read these each week to keep up to date with all Year 3 news!

Attendance

Attendance

At St Anne's, we closely monitor attendance and are committed to working together to improve school attendance in line with the statutory guidance set out by the Department for Education.

Regular attendance is crucial for academic progress and overall development.

Data clearly shows a direct correlation between attendance levels and later educational outcomes.

We understand that absences are sometimes unavoidable and unforeseen; however, we actively encourage promoting good attendance.

When your **child's attendance falls below 94%**, you will receive a letter regardless of the reasons.

If a **child's attendance is significantly lower than this**, you will be asked to support further absences with medical evidence.

Attendance monitoring is on-going year on year so if your child had lower attendance in previous years, you may be asked to continue to provide medical evidence.

Attendance

Lateness

- It is very important that your child is in on time.
- Gates open at **8:35am** and remain open until **8:50am sharp**.
- **Children do not like coming into school late.**
 - They miss the morning activity which sets them up for the day.
 - It disrupts the learning of the other children.
 - It can cause them to be dysregulated for the whole day.
- Should you have any questions regarding attendance or lateness, please do speak to Mrs Burke or Mrs Martin.

Sickness

Keep children off when it is specific things that can spread, e.g. sickness and diarrhoea, chicken pox etc. Once treated, children with head lice can return to school as normal this can be the same day. Really do think if it is necessary to take your child on holiday or to see relatives abroad in term time. Get in touch if you are ever unsure to keep your child off or not. If you need any support with attendance or punctuality, get in touch

Uniform

Uniform

Girls	Boys
White Blouse (not sleeveless)	White Shirt
Charcoal grey Knee-length pinafore or Skirt (flared or pleated) or grey tailored straight leg trousers*	Plain Charcoal Grey Trousers or Shorts (jeans not permitted)

Home School Link Worker

Niamh's role is to work in partnership with parents/carers, school staff and other agencies to support our St. Anne's families, helping to reduce any current stressful situations and prevent any future difficulties.

Niamh's overall aim is to ensure that all children enjoy school and feel happy and secure.

How can the HSLW help your family?

- enabling parents and children to comfortably talk over concerns or worries in a safe and secure environment
- supporting families reacting to change such as parental separation or bereavement
- assisting parents/carers whose children are reluctant to attend school or have been excluded
- helping parents/carers who may need support with issues or difficulties that are impacting their family life e.g., illness, domestic abuse, disability or financial difficulties
- signposting families to access valuable services, resources, activities and local community information
- supporting young carers
- offering support in school meetings
- liaising with outside agencies such as the School Nurse, CAHMS, Health Visitors, GPs etc.
- help with completing forms and documentation for benefit applications etc.

Contacting Niamh:

- If any of these issues concern you now or in the future, please contact Niamh at hslw@stannes-chertsey.surrey.sch.uk or by phoning the office on 01932 562251 (option 3) or simply by catching Niamh in the playground in the morning or afterschool. In addition, and with your permission, your information will be passed on to Niamh so she can give you the help and time you need.

Young Carers

We are committed to ensuring that every child feels safe, supported, and able to reach their full potential. As part of this commitment, we want to ensure we are identifying and supporting Young Carers within our school community.

A Young Carer is a child or young person aged 5 to 16 who **helps to look after** a family member who may have:

- A physical or learning disability
- A long-term illness or medical condition
- A mental health condition

The responsibilities Young Carers take on can vary but may include helping with household chores, managing medication, offering emotional support, or helping a sibling with additional needs.

We understand that being a Young Carer can be a source of pride, but it may also have an impact on a child's well-being, attendance, or academic progress. As a school, we want to provide a safe and understanding environment for Young Carers, offer emotional support and work in partnership with families to ensure the best outcomes for each child.

If you believe your child may be a Young Carer, or if you would like to discuss your child's role at home in more detail, please do not hesitate to contact our Home School Link Worker, Niamh Burke.

Dates for the Diary

PE Days: Tuesdays(Teacher led) and Wednesdays (Coach led). No earrings!

Chiltern Open Air Museum Trip
Monday 21st September

Xavier Inset Day: Friday 2nd October

All other relevant dates will be sent out on weekly 'Homework and Headlines' and on the school calendar.

Chiltern Open Air Museum Trip!

Monday 21st September

Polite Reminders

Reading books and diary in school and filled in daily.

Please leave the school grounds promptly at pick up - children are not allowed to play on school equipment at this time

No earrings on PE days. Children will be unable to partake in PE with earrings.

Bring named trampoline socks (see Miss Green's email)

No scooter or bike riding through the playground

No mobile phones on in school unless directed to. Eg: Assembly.

We are a nut free school!

Make sure you are ordering lunches, if your child has school dinners.

Thank you for attending the Year 3 Meet the Teacher evening.

**We are dedicated to ensuring the children have a successful, happy
year where they feel loved and safe.**
