14<sup>th</sup> June 2022

Dear Parents

## **RE: Year 5 trip to Winchester Science Centre & Planetarium**

We have planned a trip for Year 5 pupils to Winchester Science Museum and Planetarium on Tuesday 5<sup>th</sup> July. The visit forms part of our Science topic 'Earth and Space'. The children will visit the museum and space exhibits and will also take part in a workshop about discovering space rockets. To find out more, please visit [www.winchestersciencecentre.org](http://www.winchestersciencecentre.org).

For the coaches to leave school promptly at 8.30am please ensure your child is in the front playground at 8.15am. We anticipate returning by approximately 3.30pm depending on traffic.

The children will need to wear full school uniform and bring a healthy packed lunch (no traces of nuts and no fizzy drinks or glass bottles please) and an extra bottle of water in a named, disposable bag.

We respectfully request a voluntary contribution of £19.50 per child which covers the cost of the museum and planetarium, workshop and transport. Please log on to Tucasi/Scopay to consent and pay for the trip. If sufficient funds are not forthcoming, the trip will, unfortunately, have to be cancelled so please check that your payment has been made by Wednesday 29<sup>th</sup> June at the latest.

If you have any questions or concerns please do not hesitate to speak to your child's class teacher.

Thank you for your continued support.

Kind regards

Mr Pell and Miss Burgess
