

Dear Year 2:

Hello, I'm Max, and I'm writing to tell you about how to live a good life in school / in general.

Be Closer To God:

By being closer to God, you will be blessed by the 'Holy Spirit': therefore, you will make the correct decisions, in basic info: you will become a better person.

Also, when on the playground, and you fall out, remember 'The Sacrament of Reconciliation'. This is when God washes away all the bad things you have done in your life. This also relates to Saul; who later turns into Paul. This is where a man changes 'his life' from bad to good.

Furthermore, if you ever fall out with a friend, remember faith. This then relates to 'The Crucifixion of Jesus' He showed faith to keep going and persevere.

Another example of 'Faith' is 'The Temptation of Jesus'. This is where Jesus gets tempted by 'The Devil'.

My Failures:

Where I chose the wrong thing was when I ignored my teacher, so I didn't know what to do. This later resulted in my embarrassment walking up to Mr Jones. This then relates to when God said 'Respect others opinions, as they can change your lives.

So in school, when you make your next decision, remember what I said, remember God.
